To

The Head

Department of Mathematics and Statistics

RBVRR Women's College

HYDERABAD

Dear Madam/Sir,

### Sub: Research Linkage and Student Support to RBVRR Women's College

Indian Institute of Geomagnetism (IIG), Navi Mumbai is an autonomous research organisation under the Department of Science & Technology, Government of India since 1971. In fulfilling its mandate, IIG extends support to several Universities and premier Colleges in the form of sponsorship to National conferences, symposia; extension lectures by IIG faculty; sponsoring PG students as Interns at IIG; support to PG dissertation students on advanced research topics besides collaborating with the faculty in research areas of mutual interest.

The department of Mathematics & Statistics of RBVRR Women's College, Hyderabad is one such illustrious recipient of IIG's continued support since 2014. IIG is certainly interested to carry forward this research linkage further in the coming years towards a heightened collaboration in future.

Wishing RBVRR Women's college success in all their future endeavours.

With regards,

Yours sincerely,

  
(Kamala Paidipati)
