

TELANGANA ACADEMY FOR SKILL AND KNOWLEDGE

(Department of ITE & C, Government of Telangana)

Dear *Principal*

Greetings from TASK!

TASK is a non-profit organization created by the Government of Telangana for bringing synergy among institutions (Government, Private), Industry & Academia with an objective of offering quality human resources and services to the industry.

We partner with colleges to create a conducive environment for growth through faculty development, research pilots and help colleges provide quality education for the leaders of tomorrow with focused systematic Programmes, which help corporates gain access to a pool of trained graduates for suitable roles.

Initiatives from TASK are majorly focused around the concept of Employability Quotient that includes three key skill dimensions, personal, technical and organizational skills.

We appreciate and acknowledge your contribution to the student society in the State. We also congratulate your leadership in making your college one of the top ranking institutions in the region and in the nation.

Hence, we invite you and your esteemed institution to be the part of this noble mission of preparing the students for employability, entrepreneurship and for higher education. TASK is the main interface between Institute and Industry through its various services in all the districts of Telangana, which are highly subsidized. These services are possible due to many MoUs that are signed between TASK (on behalf of the Government of Telangana) and the Industries.

We request you to register your college and your students under the category of star status so that all high end services are available at your door step.

In this regard the TASK team will approach you with all the details. Please extend your cooperation.

Thank you

Warm regards

Dr. V. K. Swamy
