RBVRR WOMEN'S COLLEGE

(Autonomous)

Narayanguda, Hyderabad
Affiliated to Osmania University
College with Potential for Excellence
Accredited with 'B++' grade by NAAC

Department of Computer Science

M.Sc. (Data Science)

Data Science

M.Sc. (Data Science) is a 2-year Post Graduate Degree Program in the field of Information Technology. The degree will be awarded by Osmania University. The curriculum has an inter-disciplinary approach with topics from Mathematics, Statistics, Machine Learning, Data Visualization, Predictive Analytics using Python & R, Big Data Analysis etc.

The College

Raja Bahadur Venkata Rama Reddy Women's College, popularly known as RBVRR Women's College, is a premier institution serving tertiary education, for the past 65 years, particularly to the girl students of rural Telangana. The College is Autonomous; accredited by NAAC; recognized by UGC as 'College with Potential for Excellence (CPE)'; and is affiliated to Osmania University. The College has 17 teaching departments and is offering B.A, B.Sc, B.Com, B.B.A, and B.B.M programs with 14 combinations, besides M.B.A, M.Sc (Computer Science), M.Sc (Mathematics), and M.Sc (Organic Chemistry) programs.

Department of Computer Science

The Department of Computer Science was started in the year 1989 to offer 'Computer Science' as an optional subject in B Sc program. Since then, other IT specific programs like PGDMISCA (1994), M Sc (Computer Science) and B C A (1998), and M Sc (IS) in 2001 were introduced. Besides classroom teaching and intensive laboratory training, the department conducts seminars and workshops in collaboration with IT firms. It offers certificate courses for skill development, and student projects in the curriculum to promote research culture among students. Digital Literacy Centre focus on social responsibility. The department is thus the choicest place to pursue computer education.

About Data Science

Data Science is an emerging new area of Science, which helps the student to develop the skills and knowledge to analyze data in various forms and communicate insights. This program will help the students boosts their career and be part of exciting current industry developments. The demand for data scientists has grown more than ten-fold in the past few years. The amount of data in the world is growing exponentially. From analyzing performance to detecting problem, wherever data exists, there are opportunities to apply it.

Eligibility Criteria

Bsc graduates with M S Cs / M P Cs / M E Cs and who passed with a minimum 6 CGPA ($\geq 60\%$ in aggregate marks).

(M= Mathematics; S = Statistics; P = Physics; E = Electronics; Cs = Computer Science)

Admission Criteria

Admission to M Sc (Data Science) program is strictly based on merit in the qualifying examination and in accordance with the statutory reservations.

No. of Seats: 40

Key Highlights

- Experienced Staff
- Adjunct Faculty from Industry and Academicians
- ICT Classrooms
- Well Equipped Computer Laboratories
- Case Studies and Projects,
- Practical Hands-on Workshops
- Internships
- Job Placement Assistance with Top Firms

Fee: 75,000/ Per Annum
