Affiliated to Osmania University, Reaccredited 4th Cycle by NAAC

COLLEGE WITH POTENTIAL FOR EXCELLENCE
NARAYANGUDA, HYDERABAD, TELANGANA

Tel : 040-27564660, 27564296

website : www.rbvrrwomenscollege.net

Venue: Auditorium, RBVRR Women's College, Hyd

About the College

Raja Bahadur Venkata Rama Reddy Women's College, RBVRRWC which is commonly known to the public as Reddy College, was established in 1954 by Hyderabad Mahila Vidhya Sangham (HMVS) - a non-profit educational society with a vision to empower women, especially those from rural areas, through quality education. The College is the second oldest women's college in the city of Hyderabad, and has recently celebrated 'Diamond Jubilee Year'.

The College owes its existence to the foresight of Sri. Raja Bahadur Venkata Rama Reddy, Kotwal of the erstwhile Hyderabad State, who believed that modern education is the most appropriate vehicle for emancipation and advancement of women.

Conferred Autonomous status by UGC since 1989; selected by UGC as a 'College with Potential for Excellence (CPE)' since 2010; accredited with "A" Grade by National Assessment & Accreditation Council (NAAC) from 2007 to 2017; and was awarded B++ grade in 2018 in the changed accreditation procedure of NAAC.

The College is centrally located in the City of Hyderabad with a lovely and sprawling campus; 6 buildings; 48 classrooms; 31 science laboratories; 13 staff rooms and a campus hostel for students from rural areas. Presently, 17 different UG programs and 4 PG programs are offered under Semester and Choice Based Credit System (CBCS). Besides, several conventional, career oriented, and skill enhancement certificate courses

About the IPR Cell

- To create an awareness about IPR among faculty and students.
- To conduct workshops, seminars and training course on IPR
- To disseminate knowledge on patents, patent regime in India and abroad and registration aspects
- To encourage faculty members and scholars to go for patentable works

About the Seminar

- To enhance the knowledge and understanding of IPR among the academic fraternity.
- To provide awareness on the scope of patent/copy rights in academic research to protect their intellectual work.
- Developing linkages between academia and industries for diffusion of technologies.
